

2020 HIGHLY CITED RESEARCHERS: 101 in Economics and Business (listed by Web of Science/Clarivate Analytics—formerly Thomson Reuters)

Downloaded: Nov 18, 2020

Based on Web of Science citations during 2009-2019 (in total, 6,389 top scholars in 21 fields)—the other two UT Dallas colleagues on the list are Luigi Colombo (cross-field) and Robert Wallace (cross-field). Of the world population of scientists, the Highly Cited Researchers are one in 1,000—the top 0.1% (executive summary, p. 2)

FOUR FROM TEXAS 1 from UT Dallas Jindal School of Management—and the only 1 from UT System (Peng)—*seventh* consecutive appearance since 2014
 (of the 101 in 2 from Texas A&M (Hitt and Ireland)
 Economics and 1 from Federal Reserve Bank Dallas (Kilian)
 Business)
 1 from the list won the 2019 Nobel prize in economics (Duflo, MIT)
 1 from the list won the 2013 Nobel prize in economics (Fama, Chicago)
 1 from the list won the 2000 Nobel prize in economics (Heckman, Chicago)
